

ABC Names New Executive Director

Kristin L. Delfs

Kristin L. Delfs has been named executive director for the American Board of Certification, which is based in Cedar Rapids, Iowa. ABC specializes in business bankruptcy law, consumer bankruptcy law and creditors' rights law certifications. Ms. Delfs retired from the U.S. Navy after 22 years of service in 2010 and found her next great career with ABC in January 2016.

Her background in classified cryptologic intelligence allowed her to work on some coveted missions and with several high-profile U.S. military and foreign dignitary personnel. The majority of her time in the service was spent in joint-service environments, or multiple branches of the U.S. military.

One of her many specialties was that of instructor, and she taught open-source intelligence research and analysis. Managing classified missions with several units and personnel while maintaining the appropriate clearance levels was a daily task, and one in which she took great pride.

Among her other duties, Ms. Delfs also coordinates articles for the "ABC Update" and "ABC Insights" columns in the *ABI Journal*. She can be reached via email at director@abcworld.org.
